GENERAL MANAGERS REPORT

The initiatives put in place at our Council of clubs Meeting on November 12th demonstrated the clubs and affiliates understanding of the changes required to make the sport both attractive and acceptable to the South Australian Public.

The board has worked tirelessly over the past twelve months, administering the game and the federation affairs. It has always been prepared to listen to Clubs and individuals who have had something to offer the game.

The appointment of Commissioners at the Annual General meeting has been the singularly most important decision facing clubs, as those people who have been appointed as Commissioners will shape the future direction the game takes.

As in any sport, its future lies with the development and coaching of its Juniors. To that end, the Federation is well served by our Coaching Director Carlos Buzzetti, who, with his team of coaches and players, has "Spread the Gospel" to all parts of the State. Plans are already in place to further this area of the game through the Federation in utilizing qualified people, including the high profile National League players, in coaching clinics with Juniors both during school times and the development of Soccer Schools during the school holidays.

One example of this, is the introduction of the Vacation School Clinics which have been an unqualified success.

Foundation S.A., now into their third and final year of our existing Sponsorship agreement, have been a marvellous Major Sponsor to the Federation. Their support of the game at all levels is greatly appreciated. We look forward to renewing our agreement with the foundation for a further three year term in June.

We must pay tribute to all our sponsors for their support of the game and this Federation. We are certainly very fortunate to have so many organisations support our game.

The efficiency of the Federation office shall improve enormously with the introduction of computer facilities. We have reported for some years now the need to fully computerize and I am pleased to report that the hardware and software has all been installed and the computer system is up and running. I must mention our thanks to LASER COMPUTERS for their generous sponsorship of the required hardware.

In another sponsorship initiative, with MITA AUSTRALIA, each club has been provided with a FAX machine. This will enormously improve communication between our clubs and Federation Office.

The Chairman, in his message, had detailed the improvements to Hindmarsh Stadium. These improvements will benefit ALL Federation Clubs and supporters and gives Soccer a Home of which it can be justifiably proud. Our sincere thanks to the Department of Sport and Recreation and in particular Project Manager Ian Trestrail for their support of our submission to the South Australian Government.

After some lengthy negotiations, Soccer in South Australia won its live radio show each Saturday morning at 8.30, on Radio 5RPH. This program has grown in popularity and is certainly a great vehicle for the promotion of the game.

Negotiation of the establishment of South Australia Soccer Federation Insurance Services, offering a wide range of insurance products are now complete. The benefits to be derived from the licensing of S.A.S.F.I.S. will have many benefits to the federation, its clubs and the Soccer public.

The Chairman has already acknowledged the efforts of the State Team. With the introduction of a Summer National League Competition, the establishment of a State Team fills the void between State League and National League competitions, and if promoted properly, the State Team will play a high profile in Soccer in this state.

The Soccer program in 1992 has been streamlined so as to clearly define the Soccer State Season being from January to August each year. During this time we have also we have also incorporated Cup Matches and insured that we do not overlap with the National Soccer League Season.

The Board of Commissioners are meeting each week, one week to discuss normal Federation business and the other as a planning meeting to develop a long, mid and short term business plan addressing all areas of Soccer in South Australia.

The definition of the word Club or Association in the Dictionary is: "A group of people coming together for a common cause."

This certainly applies to us all as we come together to strengthen our game through being competitive but unified in our cause.

I sincerely hope that you all enjoy the 1992 season and that you have many happy times watching your team being successful.

TONY FARRUGIA
GENERAL MANAGER

**NOTHING
TASTES
BETTER**

CHAIRMANS REPORT

On behalf of the Board of Commissioners of the South Australian Soccer Federation, it gives me great pleasure to welcome you all to season 1992.

The introduction of several new initiatives in season 1992 has seen the game take a completely new direction at State level, it is and always has been our aim to lift the standard and image of our game in an effort attract more quality players and thus lift the overall standard. This then goes hand in hand with increasing public interest and encouraging greater crowd attendance during the Winter competition.

It certainly will be a different format this year with the introduction of the Coca-Cola Youth League, the fact that our National League Clubs Adelaide City and West Adelaide will not be participating in the State League Competition for the first time and the introduction of a Top Five series to determine the League Champions all goes to creating an interesting, viable and even competition.

Already from the first few rounds of the competition it can be seen that the fight for the top five places will be fierce.

Clubs at the March Council of Clubs meeting resolved that TWO clubs would be promoted to the First Division, the team finishing on top at the end of the minor rounds and the eventual winner of the TOP FIVE payoff.

The Redevelopment of the facilities at Hindmarsh Stadium are certainly one of many highlights of the year.

Stage one of the redevelopment was completed in February with the "switching on" of the new lighting towers.

The lighting provides for three phases-Training, Playing and Television.

Stage two has recently been completed which sees the change rooms being upgraded, providing a new medical room, and drug Testing room. The players race has been modified and the Grandstand facilities receiving a huge face-lift, which gives Soccer facilities which have been sadly lacking.

Stage three commences in July. During this stage the public catering facilities will be given a face-lift and 3000 seats will be placed on the eastern end terraces for public use.

This then will bring the Stadium up to World Class standard. No doubt it will be the BEST Soccer Stadium in AUSTRALIA - offering the BEST facilities and the BEST playing surface.

No doubt, the redevelopment has been promoted by the World Youth Championships being scheduled for Australia in March of 1993. This upgrading guarantees that Adelaide will host a section of this prestigious World event.

The admission of West Adelaide to the National Soccer League is also a great boost for Soccer in South Australia. It now gives the Adelaide public one match per week during the summer at Hindmarsh Stadium. Both Adelaide City and West Adelaide have been most co-operative with their negotiations for the use of the Stadium which will totally minimize the costs to federation Clubs and at the same time give these Clubs our National Soccer League Clubs facilities that are second to none in the National Soccer League. It is most important that both Clubs are competitive both on and off the field.

During last year the General Manager and I visited many Clubs to discuss the problems Clubs were experiencing and to gauge a reaction of where Clubs believed the game was headed. The board spent much time discussing the results of these discussions and the end result was the historic Seminar/Council of Clubs meeting which was held on 9th November last year.

At the Annual General Meeting, Clubs elected a Commission to control Soccer in this State. This is a bold move, but most important to the future of the game as those elected have been entrusted to ensure that the game flourishes at all levels.

The establishment of the Coca-Cola Youth League is another major initiative Clubs have responded to. The Youth League will rationalize the number of quality players and to ensure that Clubs continue to produce top players for the future of the game.

The Top Five Series to determine the League Champion at the end of the Season, although not tradition in Soccer, is a way of life in this Country. This will surely add interest to the competition until the final home and away round of matches and with the proper promotion will attract crowds for the finals matches in both divisions at Hindmarsh Stadium. If anyone doubts the acceptances of these games at National League level.

Our State Team, under direction of Coach Martyn Crook, has been quite active through its participation in the Fairmont Distinctive Cup Series, the Inter State match against Victoria in Mount Gambier, and taking on the Olympic squad in January. Congratulations are in order to the Team in the form that they have displayed, drawing with Victoria putting on a creditable performance against the Olympic team and eventually defeating Adelaide City in the Final on the Fairmont Distinctive Cup Competition.

I must place on record the Boards sincere appreciation of our Sponsors, who have remained loyal to this Federation during these tough economic times. I also acknowledge those new sponsors who have sponsored Soccer for the first time and welcome them to the Soccer Family.

I also take this opportunity to wish Clubs every success in this most important season and that you the member and supporter of Soccer in this State we sincerely thank you for your support.

The most precious things in life need protection.

Protecting our families and giving them the best is everyone's concern. Yet how many people stop to consider the possibility of an accidental electrocution.

That's why we recommend the installation of a Clipsal Safety Switch. Safety Switches are simple devices which are designed to protect your family by instantly cutting off power should an electrical hazard occur.

Ask your local electrical contractor about installing a Clipsal Safety Switch because your safety is our concern

BEOGRAD - Buggy Nyskohus was a no nonsense player in 300 national league games with Adelaide City.

As coach, he is adding his own brand of discipline to Beograd - and moulding it into a genuine championship threat.

Club officials have helped by attracting a host of talent to Woodville West this year.

Denis Martinello, Andrew Borghetto, Ron Grasso and Enzo Perre arrived from Adelaide City.

Teenage Bradley Armour, for the past few seasons, has been among the best performers in the Second Division with Seaford. His skills will flourish in the First.

Adam Matakakis distinguished himself in amateur ranks and will add another dimension to Beograd's style.

The western suburbs side always has been noted for its flair. This year it has added steel in defence with ice cool Nyskohus still keeping apace with players half his age alongside Mr Reliable Chris Miller.

The skill and vision of Brian Welsh, Vojislav Gluscevic and Jovan Dacic help make Beograd a genuine title challenger - especially with a seemingly more solid behind the scenes administration calling the shots.

ELIZABETH - Life never is easy when you step up into a higher level of competition. If money is tight and prevents you dipping deeply into the transfer market then you have to call on reserves of character and true grit.

That is the position in which First Division new by Elizabeth, under the leadership of coach Brian Boyd, found itself this year.

But Elizabeth is a fighter. It had to battle every step of the way to last year's Second Division crown. Players grew together and that bond will have a telling effect as the Ramsay Park David matches up this year to some of the League's Goliaths.

Not that Elizabeth is short on talent. Boyd is an astute coach who likes the finer points in the game.

An new signing Robert Knowles, Robert Jost, Irving Smyth and Steve Cook are skilled performers whose talents complement the honest industry of such as Aaron Bray, Steve Kember, John Duthie, Ian Woods and Willie Dowie.

In Mark Humpherson, the northern suburbs side has a striker with a real eye for the half-chance.

In short, Elizabeth will be nobody's fool but realistically the battle will have to be carried on every week to see Boyd's boys escape the wooden spoon.

CROATIA - The club pulled off the signing coup of the close season by attracting Alby Kidd as coach.

Kidd, who made his name as a solid, industrious professional in Scotland, left players and fans in SA in no doubt he knew his stuff by guiding then Hellas to the State crown.

His organisational and training skills will have Croatia among the elite in the League. His playing ability in midfield does but enhance that.

Kidd knows he will face backroom pressure from fickle clubmen who demand success. He already has taken Croatia into the Ampol Cup final where it was beaten by Adelaide City but the League championship is the club's burning goal.

Croatia had a strong squad last year. Magnificent Mladen Putanec has departed the fold but State goalkeeper Archie Christakos, Larry Salerno and Haris Bunjo have come in.

They join such sterling performances as Andrew Triggs, John Grdovic, Colin Miller, Ivica Jurkovic, Steve Witwicki, Theo Anastasiou and George Konstandopoulos as seasoned, well credentialled Foundation League performers.

State defender and former national league performer Mike Barnett will be a valued addition once he recovers from serious knee surgery.

With a sprinkling of young talent also pushing through, Croatia, from the western suburbs, is expected to be among the pacesetters in the league race.

Kidd's air of professionalism should keep Croatia well on track for that goal.

AZZURRI - Coach Jan Kierno was a stylist as a player and he still puts heavy emphasis on skill as he leads the Blues from Adelaide's eastern suburbs.

Azzurri, last season, has a very strong squad 'on paper' but it did not consistently achieve the results clubmen felt it deserved.

Kierno and his players want to erase memories of that is season.

The championship is their goal.

They are widely tipped as early title favourites.

Classy sweeper Ian Cole and injury-plagued Peter Millar have left from last year but the Blues have bolstered their formidable squad with the introduction of goal-hungry State team marksman Jeff Tyson.

Former Adelaide City man Zeljko Karadzic made himself this season and his partnership with Tyson looks capable of wreaking havoc.

Azzurri also is nurturing its pool of young talent. Kids are given their chance to shine beside such Foundation League stars as Damien Harley, skipper Duane Gray, Paul Higgins, Angie Giannitto, Bruno Silvestri and Mark Abraham.

MODBURY - The northern boys from Golden Grove for several seasons now have threatened to give the championship a shake.

Coach John Nyskohus is confident he can add discipline and desire to that quest this year - if injuries do not take too heavy a toll.

There is quality in the Modbury squad.

John Klein, busy Mark Muscroft, Ian Cole and experienced Richard Preston have joined ranks for '92.

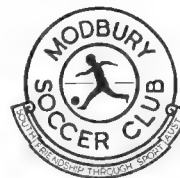

They join a squad that already bristled with the talents of Mike Donnelly, brothers Neil and Davie Edwards, State defender Richard Parsons, Peter Millar and ace goalkeeper Darien Bauer.

Consistent goal-scoring was a problem last year but burly Paul Smith could prove a thorn in that department this year.

The notoriously heavy Golden Grove pitch may take its toll in mid-winter and achieving consistency of performance will be one of Nyskohus' main tasks.

But, on its day, Modbury is a match for anyone. That could see it around the mark for a top five place.

PARA HILLS - Coach Martyn Crook and the northern suburbs club committee made no rash promises when they stepped back into First Division last season.

But a tight team unit, strong administration and organisation, talent and a general desire to do well saw Para spring up as the surprise packet of '91.

Crook earned his role as State coach and big demands were placed on Para for '92.

The club is ambitious - as strong sponsorship and support gathering have proved. Novel plans, involving team and supporter busses and live English TV soccer action, also have put Para among the front-thinkers in the League.

The club, too, has not be slow in the transfer market. Terry Kent was a key signing in '91.

Mike Reynolds, Nick Stamatelopoulos, Stuart Miller, Chris White, Jason Trimboli and Vince Lacoppetta have been added for this year as Para aims for at least a top five finish.

That should be achieved with even a meagre slice of good fortune with such seasoned stars as Brian Butterworth, Ray Deeley, Mick Kelly and mercurial blute brothers Paul and Tony in Para's list of playing credits.

POLONIA - The popular, old western suburbs club long has held a reputation for play with flair and style - that, sadly, has not been regularly backed with premierships.

Coach Joe Larecki would love to change all that and gradually is building a squad with genuine top five aspirations.

Graham Campbell polled strongly last year in Foundation Player of the Year voting in a standout season with Blackwood. He has gone to Polonia Park to bolster the red and white defence.

Slowomir Nowak walked into the club virtually announced. He so impressed in pre-season action that Coca-Cola Soccer League club West Adelaide forked out for his services.

He should be a big plus when he slots back into the attacking minded Polonia line-up as the close of CCSL commitments.

Goalkeeper Andy Papp-Horvath also has been drafted in as a well respected last line in defence.

Young Soccerroo squad man Shane Porter, Steve Nalpantidisformer AIS player Simon Romaniuk and Frank Timar are other players of talent.

Polonia also has a mortgage on impressive young stars.

Frank Sergi, Adam Longshaw, Brad Hassell and especially, Brian Launders are real players of the future.

Polonia Park, too, is a perfect home venue for Polonia's flowing skills.

Larecki could be looking at a top five finish if all pieces in his jigsaw fall into place.

SALISBURY - The Berries from up north looked in disarray early in their season build-up.

There was delay in renaming Bob Wincer as coach and the club was hit with the departure of State squad striker Jeff Tyson, goalkeeper Oscar Peters, John Slade and Paul Wilde and doubts over the future of Bryn Acton and Mark Harvey.

But the club slowly has worked its way out of the maze.

Wincer is back at the helm and Action and Harvey have rejoined the Berries fight for glory.

Matthew Coutoudivis, who made the Joey world championship squad to Italy last year, slowly is recovering from a crippling ankle injury and Alan Mottram homes to show fans his best form for years after two seasons plagued by one trouble after another.

Heath Robertson has rejoined the club from West Adelaide and Sean Greaves, Billy Irvine, Sean Clark, Graham Latham, Tony Gasparetto and Paul Simmons give Salisbury a veneer of class.

But the cornerstone of the side is rough diamond Neville Flounders. His impact as player and confident to Wincer since his move from Adelaide City has been immense.

Salisbury is not the same side without him. Should he play out the year and Wincer's astute promptings bear fruit, Salisbury should be well to the fore in the five.

USC LION-GRANGE - A scorching start in 1991 had everyone sitting up to take notice of the compact western suburbs club.

The lack of squad depth eventually caught up with coach Dave Baker and he had to fight a rearguard action near the business end of the season to keep Lion afloat among the big boys.

A strong junior set-up has seen a pipeline of talent flow through the club but again this year Baker was faced with too few quality senior players having to shoulder the weekly responsibility.

This is not to deny the ability of stalwarts John Hudoba and Danny Marangon, Keith Rowling and the striking Swede Christian Bunke who earned a State squad berth.

Baker knew new faces were needed. Quenten Watkins was coaxed from West Adelaide and goalkeeper George Nesgos made the trip from near neighbour Beograd along with striker Martin Goldschmidt.

Andy Locke (Modbury), Danny Vacic, from Croatia and Tony Morabito, on loan from Adelaide City, and West Adelaide men Jim Tsekinis and Steve Georgious also add undeniable talent to the Lion campaign.

That was dealt an early blow with the serious knee injury to giant former Joey squad defender Douglas Paterson.

If Baker can knit the squad together and stay free of more serious injuries, Lion could roar in '92.

But, as with Elizabeth, there could be a season's battle at Grange.

BIRKALLA - Zoran Maricic has won a First Division title as coach of Croatia.

He is delighted to be back this year leading Birkalla Eagles after a learning and grafting spell in the Foundation League's lower tier with Port Adelaide.

Maricic, a keen student and quiet practitioner of the game, has gained a solid reputation at State level by his coaching of under-age sides.

He is a very different proposition from his predecessor, now SA Soccer Federation commissioner, Neil McGachey. But he is sure his brand of operation can lead to success.

Maricic has some understanding young talent with which to work at Camden in the inner southern suburbs.

Steve Farrugia, James Mitchell, Chris Flaherty, Damien Sullivan and Jason Walters are just some of the Birkalla Babes who could go on the stardom.

Peter Rankin, who has played national league for both Adelaide City and West Adelaide, was brought in to add experience and punch to attack while former Foundation Player of the Year Paul Wilde provides class and quality in the midfield engine room.

He is partnered by uncompromising Merseyside man Kevin McCormack.

With John Williams waiting in the wings, giant Les Matiscsak, Tim Mullen, Gary Price, Fraser McLean and Fraser Keegan to the fore Birkalla must rate as a strong chance to satisfy its aim of a top five finish.

PLAYER OF THE YEAR

Carrot-topped Andy Read's introduction to SA soccer was almost as stunning as his acceptance speech in collecting the cherished Foundation SA Player of the Year award.

Both took the breath away but only the soccer truly is worth remembering.

Read, a 24 year old Englishman, joined Azzurri at the beginning of the season as a much travelled striker.

After leading defences astray in a memorable first season here, the elusive marksman bagged glory by collecting 24 votes from referees to become the Player of the Year.

After some close voting in a very even season, he finished two points clear of joint second-placegetters Graham Campbell, then of Blackwood, and Modbury's Richard Parsons.

A surprise and delighted Read accepted the coveted trophy from the Premier, Mr Bannon at the Hyatt Regency Adelaide.

Read also received an Omega Constellation watch from Wendts Jewellers.

Adelaide City's impressive young midfielder Ross Aloisi finished fourth in the voting with 20 points from Para Hills defender Mark Yates and Beograd 'veteran' Andy Toland, who both polled 17.

West Adelaide dynamo Lemmy Vatsilas polled 16 while the top 10 was completed with Para Hills midfielder Duane Dobson, Polonia striker Shane Porter and West Adelaide midfielder Mark Brazzale all sharing 14 votes.

The Bob Telfer Medal for the best and fairest Second Division player was won by Olympians striker Steve Papadopoulos.

The former West Adelaide and Polonia player polled 17 votes to win from Port Adelaide teenager Richie Alagich and Cumberland defender Bernie Bridges. They collected 14 votes.

Read became the first Azzurri player to win the award.

A chance meeting with State and Blues trainer Des Thompson in an Adelaide sports store took him to the eastern suburbs club.

Read started his career as a junior with Brighton and Hove Albion and has spells with Worthing, Steyning, Wick FC, Bognor Regis Town and representative matches with Sussex and South East England before heading Down Under.

After his stunning first SA year, he gained selection in the State side for the interstate clash with Victoria and the victorious Fairmont Distinctive Cup series against Adelaide City and West Adelaide.

ACTION SHOT - AC v's West Adelaide, 1991.

ACTION SHOT - Past and present medal winner meeting on the field

OMONIA - Tom Kosta has made his name at Omonia by guiding club youngsters to success.

He now hopes to take his young breed of 'unknowns' from the western suburbs all the way to the title.

Consistency always is the worry over a young squad and Omonia may have to wait another year for the five but it will keep all opponents honest as it showed by reaching their Fairmont Cup semis.

ADELAIDE

CAMPBELLTOWN - Coach Peter Jaksa carries a heavy load at Newton.

The club, proud First Division champion less than a decade ago, has languished in the Second too long for the liking of most Red Devils.

Jaksa is the man shouldered with the task of lifting it back to the big time.

Largely he will depend on fitness and some finesse to get his young, virtually unknown, side right into the tip five rankings.

then anything is possible.

CD APAC - With dynamic Bobby Anderson pulling the strings anything always is possible from CD Apac.

The northern suburbs side was one of the best in the division last year and coach Bobby Hogg looks sure to have the black and whites as genuine contenders again.

Apac is a strong defensive unit. If the goals can come more freely, Apac will be looking at least at the final five.

BLACKWOOD - Expectations always are high that a relegated team can bounce straight back into the big-time at the first time of asking.

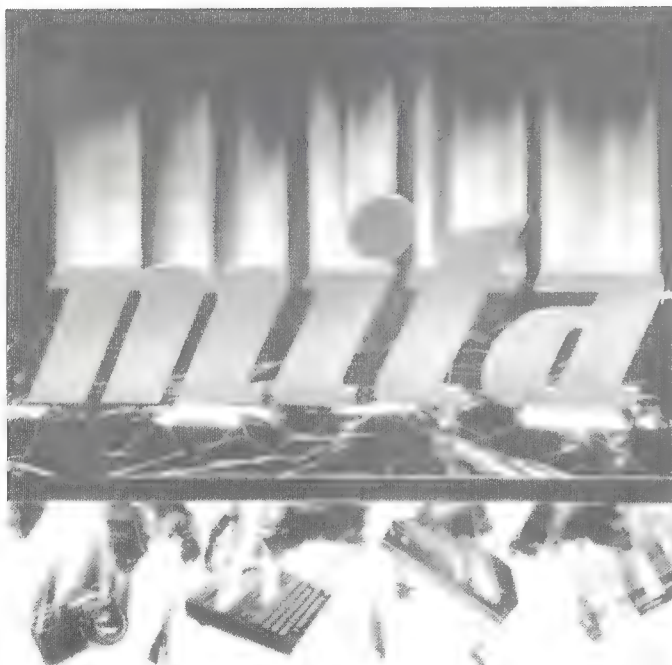

But reality determines clubs face one hell of a fight and that is the scenario facing coach Donald Campbell at Blackwood.

The southern hills zone is waiting to blossom, with a full crop of budding youngsters. But Campbell knew, too, he needed some seasoned experience.

Nuggetty personality player Bryan Kent was added to ranks along with Simon Murdoch, returning Neil McNaughton and Robbie Delic.

And football's loss was soccer's gain as Gino Pegararo, voted Plympton's best football player in 1991 was mapped up by Blackwood for '92.

Blackwood is building on and off the field again after a near demoralising collapse only a couple of seasons back. Campbell's confidence and experience should do the trick enough for a top five finish.

Mita make just outstanding, state-of-the-art copiers. And enjoy continued leadership in the development of new copier technology. To arrange a demonstration of the latest Mita Models, or to inspect our range, please contact your local Mita specialist now. Mita. ALL WE MAKE ARE GREAT COPIERS.

ENFIELD - Rocky Aloisi built up an impressive record in his successful coaching days with Adelaide City's kids.

He now has switched to an Enfield club determined to bring glory days back to Blair Athol. Several of the City stars of the future made the trip to the inner northern suburbs with their mentor.

Defenders Daniel Sabatino, Mark Camilleri and Alf Laniello; midfielder Corey Artone and attackers Nathan Day and Carmine Maio along with Robert Ditroia and Tony Morgillo, from Cumberland, will make Enfield quick, good to watch -- and a real title threat, if they can maintain consistency, especially in winter.

NOARLUNGA - Grant Sweeney is a tough and uncompromising coach with a very colourful, vocal approach.

Lack of playing depth saw the club cast adrift a golden start to last season.

Sweeney has not added many new faces this year but is assured he has the cash with which to pounce once the right opportunities come along.

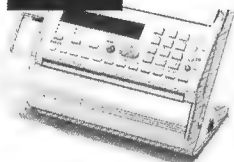

Unique Wilf Taylor Reserve probably will not be a happy hunting ground for many rivals.

How well Noarlunga travels could determine its final five aspirations.

FAST, RELIABLE AND ALERT.

OLYMPIANS - Coach Peter Cagialas put silverware on the Olympian sideboard for the first time this season with victory in the pre-season Fairmont Cup.

The championship could follow.

Olympians were aggrieved to miss out to Elizabeth in last year's title race and want to make amends in '92.

With players of the caliber of Nick Mousoulis, Paul Pezo, last year's Second Division Player of the Year Steve Papadopoulos and Steve Koutsouvelis, Olympians have a strong nucleus of talent.

Skilled youngsters add pace and enthusiasm to the line-up and Brett Pullen, a former Youth Socceroo squad player from Tasmania, might just be the icing on the cake.

Hot tips for the title, Olympians look assured at least of a top-five finish.

PORT ADELAIDE - The Magpies from the outer west suburbs are steeped in tradition.

But new coach Neville Yeing, a former club stalwart and favourite lured back this year, largely will be looking to fresh young faces to do the business for Port in '92.

He could face a year of ups and downs. The proportion of these will determine Port's destiny. A top five berth is not out of the question. But it could be hard work.

The right brick is on hand

At PGH Selection Centre it's so easy to choose the right brick to match your special dream:

- home building • landscaping

SEAFORD - The southernmost club in Foundation SA Leagues for seasons has threatened to blossom into a real bright light in SA soccer.

Inevitably, the light has dimmed mid-way through each season and Seaford still has to taste life in the First Division fast lane.

Could '92 be the year?

Coach Mick Ball knows the game inside out after a skilled playing career over two decades.

Gordon Costello and Davie Dickinson will add seasoned stability to a young crop of players who have developed through the club's outstanding junior program.

A top five finish looks on the cards. How much higher - only time will tell.

NATIONAL SOCCER LEAGUE REPORT

Adelaide City and West Adelaide - Adelaide giants City and West faced a roller coaster year in the Coca-Cola Soccer League.

Both, though, probably were happy with their final minor round destinations.

City, as widely predicted, successfully negotiated a path to the final series.

And West, despite having players virtually playing non stop soccer for two years, gathered in the club's biggest national league points tally in 10 years.

President Charlie Zollo took over the reins from SA Soccer Federation chief Charlie Caruso as president at City pre-season but coach Zoran Matic again was at the helm to steer on field operations.

The astute prompting from his assistant John Perin again provided a boon for the boss.

Zoran Matic, a midfielder who had caught the club's eye previously with St George, was brought to the club which had been cruelly hit by the loss of dynamic Soccerroo Aurelio Vidmar to Belgian club soccer.

Ratko Ninkovic was another import. But he came from Yugoslavia and returned virtually unused by City after the briefest, if not calmest, of interludes.

City has been stung the previous season by injury to Soccerroo Ernie Tapai but he had regained fitness to be another City boost.

The class of the squad was highlighted in the season with Robert Zabica, Alex Tobin, Tony Vidmar, Milan Ivanovic, Ernie Tapai, Steve Maxwell and Carl Veart gaining representative honours for Australia.

Kids Jamie Perin and John Aloisi were picked on scholarship to the AIS in Canberra and Perin later toured Europe with the Young Soccerroos.

The Zebras pounded along like gazelles for 12 unbeaten weeks in the heralded national league which had gained multi-million dollar sponsorship from soft drinks giant Coca-Cola. Then bottom side Preston stopped them in their tracks in Melbourne.

City players confessed they had not played all that well though unbeaten in the early run. But the wheels fell off for a while after the Preston loss.

Confidence tipped and performance fell accordingly. The club also was hit by a horrific run of serious injuries.

Paul Shillabeer, Robert Csoboth, Carl Veart and Sergio Melta all had surgery but other members of the seasoned City squad also fell temporarily by the wayside.

The form of some others was alarming but the character and grit of the side; the introduction of such youngsters as Ross Aloisi, Carlo Talladira and Joe Barbaro; patience and perseverance from coaching and management and support from the crowd saw City weather more than a month of dismal soccer.

Despite playing poorly, City kept in step with the top teams on the ladder and a late season rally saw them move in as a genuine title candidates. They also had the chance of the double by fighting through adversity to a NSL Cup final meeting with old foe, but sister club, Marconi. West's campaign was not as grand - but no less glorious.

It started in tatters.

As Foundation SA League champion, the Sharks, as West had become known, successfully satisfied entry criteria for the new national set-up.

A strong administration and management team was in place and respected Argentinian Vic Fernandez was appointed as coach of the returning national league club.

But an ill-fated recruiting trip to South America brought an end his brief spell in charge.

Former player Nick Pantaras had been assistant coach to former West boss, ex-Scottish professional Alby Kidd.

The quietly spoken, affable young man was asked to shoulder the responsibility to leading West as the youngest rookie coach in the competition. He handled the awesome task manfully.

Money for recruiting was not abundant and the purchase of Ted Briscoe, Robbie Slager, Brenton Hiern and Peter Blazincic proved big pluses to the strong State-based squad Pantsaras inherited.

Mark Brazzale also blossomed, especially later in the season when he assumed major responsibility in midfield with the axing Adrian Santrac. Brazzale went on to gain a run with the Olyroos in Adelaide against the state team.

Claudio Canosa, an extraordinary Argentinian who had been playing in NSW soccer, was drafted in and Uruguayan striker Mario Perucho was the only major overseas recruit.

The Sharks did not find the Midas-touch there.

Canosa's playing ability rarely let him down but he was to fall foul of referees and miss some crucial games through suspension.

Perucho never hit his straps. He looked overweight and underdone and never seemed to possess the skill to make an impact at this level.

His failure, though, opened the door for golden boy Paul Agostino.

The 16 year old marksman had joined the club from Salisbury and made his name by scoring a hat trick for the Joeys in their opening match of last year's world championship in Italy.

He went on to gain selection in the MasterCard All-star XI and he took to the national league like a duck to water.

The local highlight of his career probable came with his golden goal which gave West a 1-0 victory against old rival Adelaide City for the first time in six years.

Agostino at the close of the season was on tour with the Young Socceroos in the Netherlands and held talks over as potentially rich playing career in Europe.

Frank Tibaldi late in the season drafted in style and looks a budding player of top caliber. Results fluctuated for West in a year of very even competition.

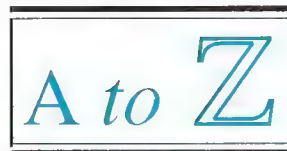

The Sharks beat all of the top sides except South Melbourne but also slipped up on occasions when they should have done better.

The club, perhaps easing up in concentration and commitment slumped after the 'grand final' win against City, but Pantsartsa, to his credit, was able to get his troops to rally for the run-in to the year.

The 1991-92 season produced see-saw fortunes. Fans had times to forget but also moments to remember.

FOUNDATION S.A SOCCER PROMOTIONAL DEVELOPMENT

by CARLOS BUZZETTI

During 1991 The SASF serviced 85 Schools, another 15 Schools were serviced as part of the I.C.A Programmes and Aussie Sports Clinics were also attended by Soccer in both City and Country areas. Approximately 20, 000 Children and 1000 Teachers were involved during 1991.

Soccer Clinics are very popular in the Schools and we expect to be even more successful during 1992.

The F.S.A Sponsorship allows us to provide all of these services to the Schools. My gratitude must go to the Coaches/Players involved during the year.

PROMOTIONAL DEVELOPMENT - Paul Agostino, Jamie Perin, Shane Porter and John Aloisi

STATE TEAMS - Mens and Womens trip to Mount Gambier to play against Victoria - Promotional Soccer Clinics for Foundation SA

FOUNDATION S.A (Centres of Coaching) by CARLOS BUZZETTI

Another outstanding success as part of the S.A.S.F Programmes have been the Foundation S.A (Centres of Coaching). Approximately 700 South Australian young players aged between 10 and 13 are involved in this programme.

Six City Centres and four Country centres are in operation:

Elizabeth & Districts, Southern Districts, Noarlunga Districts, Adelaide Hills, North West/Woodville and Eastern areas in the City, and Western Border (Mt. Gambier), Whyalla, Port Pirie and Broken Hill in Country areas.

We hope that during 1992 two more centres will be opened: Port Lincoln & Riverland.

This programme is running all year around with the Country Centres being the most successful of all centres.

I would like to thank on behalf of the S.A.S.F all the instructors involved during 1991 for their dedication and quality of coaching.

COACHING DEVELOPMENT

by CARLOS BUZZETTI

New systems in coaching courses have been introduced by the ASF throughout Australia and all courses have been modified to run in accordance with Australian Coaching Council Guidelines.

LEVEL 0	6 Hours - Attendance Course
LEVEL 1	16 Hours - Accreditation Course
LEVEL 2	30 Hours - Part A
LEVEL 2	30 Hours - Part B
LEVEL 3	50 Hours - Part A
LEVEL 3	30 Hours - Part B
LEVEL 3	20 Hours - Part C-D

All active coaches will be required to have a minimum accreditation to be able to coach from 1993.

Coaching courses will be available during 1992 in different areas.

Level 1 will be available at several stages throughout the year.

Level 2 will be run in October (Part A) and November (Part B).

In January 1993 a residential level 2 and 3 Courses will be conducted at Flinders University or Mylor Sports Centre.

A new national Licence System, like we have in S.A will be introduced by 1993.

DURING 1991 THE S.A.S.F CONDUCTED -

LEVEL 1	17 Courses - 215 Candidates	
LEVEL 2	2 Courses - 36 Candidates	Part A
LEVEL 2	1 Course - 19 Candidates	Part B
LEVEL 3	1 Course - 19 Candidates	Part A

Courses were conducted at different districts and in Country areas. The S.A.S.F wishes to thank all the instructors involved during 1991.

TOM McROE REPRESENTS FIFA

Top SA referee Tom McRoe realised a soccer dream this season by gaining his FIFA badge. McRoe received recognition from soccer's governing body along with Victorian John Fraser and Peter Spiers, of NSW.

They joined NSW's Richard Lorenc, Gary Power and John McConnell and Bill Monteverde, of Queensland, as Australasia's FIFA representatives.

McRoe, 43, was nominated last year but missed out. He now follows SA's Donald Campbell as a FIFA man.

He started refereeing in 1978 and reached the State League First Division panel by 1985. The following year he was linesman in the national league and became a referee there in 1988.

Now McRoe, who is manager of the functional test area with British Aerospace, is ready for the big time.

FROM THE DIRECTOR OF COACHING DESK

by CARLOS BUZZETTI

The increase in demand for soccer clinics all around S.A and the different programmes conducted by The S.A.S.F, made 1991 the most successful year for development in S.A.

New programmes including I.C.A and a year 7 Sport Camp have been instant successes.

The State teams performed well with the Under 14's winning the National Titles.

Four players have been named in the Australian Under 19's Squad:

Paul Agostino, Jamie Perin, John Aloisi and Shane Porter.

And two players have also been invited into the Australian Under 17's Squad:

Ben Honeyman and Anthony D'Ercole (from Whyalla).

Four S.A players currently are at the A.I.S (Canberra) on soccer Scholarships:

Jamie Perin, John Aloisi, Joel Marino and Dino Menillo.

Last but not least my thanks to all the coaches involved with us during 1991, without their knowledge and dedication to all of our programmes we would never have achieved all the success we enjoy at the moment.

My special thanks to our Senior Instructors, John Evans, Sam Miskelly, John Van Der Veeken Snr, and to our S.A.S.F Instructors, Kevin McCormack, John Van Der Veeken Jnr, Carlos Buzzetti Jnr, and Michael Stephenson.

A very special mention must go to Adelaide City and their Coaching Coordinator, John Perin and sport manager Charlie Capogreco and to West Adelaide and their coaching coordinator John Karounos for their dedication and generosity to make available senior players for school clinics and for promotional material to be distributed in all schools.

SCHOOL HOLIDAYS SOCCER CLINICS

by CARLOS BUZZETTI

A new Soccer Clinic to be conducted during School Holidays has been approved by the board of The S.A.S.F and will commence in April 1992.

This Clinic will be open to all youngsters between the age of 10 and 16 years old.

Senior Instructors and Senior players will be in charge of this Clinic.

Sessions will be conducted between 9am and 4pm from Monday to Friday during School Holidays.

Application Forms will be printed in the morning Newspaper and all forms should be mailed to the S.A.S.F.

T-Shirts and Certificates will be given to all participants.
